Equipment:	Kest-Mixer, Magnetic coupled aseptic mixer
Model number:	Kest-Mixer KM.....serie, KMS...serie
Serial Number:	See documentation on specific Kest-Mixer

Complies in the series version with the following regulations:

2006/42/EC

Machinery Directive

For incorporation of an incomplete machine acc. to Article 1, §1, lit. g); Article 2 § g); Annex II, No 1, § B of Machinery directive 2006/42/EC

2006/95/EC

Directive on the harmonization of the laws of the Member States relating to electrical equipment designed for use within certain voltage limits

2004/108/EC

Directive on the approximation of the laws of the Member States relating to electromagnetic compatibility and repealing Directive 89/336/EEC

Kest Technology undertakes to transmit, in response to a reasoned request by the national authorities, relevant information on the partly completed machinery. This undertaking shall be without prejudice to the intellectual property rights of the manufacturer of the partly completed machinery.
The information will be provided by e-mail.

And furthermore declare that the product covered by this declaration must not be put into service until machinery into which this incomplete machine is to be incorporated declared to be in conformity with protection requirements of the Machinery Directive.
